

TALENT LEADERSHIP PROGRAM

Training our Ag Leaders with Educational & Networking Tools

Purpose:

The ever-changing landscape of agriculture requires a skillset of many facets. The TALENT Leadership Program is designed to provide developmental opportunities that will enhance the skills of current and future agricultural leaders.

Eligibility:

Ranchers, farmers and ag professionals are eligible to participate. Spouses who are involved in the family operation are strongly encouraged to participate in all aspects of the program. All participants who commit to the program are expected to attend each of the sessions listed below. This program is paid for by the bank, and your participation is depended on to justify this investment.

Benefits:

- Enhance your knowledge of financial planning and risk management for your operation.
- Participate in ag industry tours and network with area producers.
- Improve upon management and leadership skills.
- Learn from industry experts.
